SHEFFIELD JAMA'AT TALIM-UL-QURAN WORKSHOP

Baitul Afiyat Mosque - Sheffield

Reporter: Shahzad Ahmed - General Secretary Sheffield

Date: 19.08.18

By the grace of Allah, Sheffield Jamaat had a blessed opportunity to hold a One Day Quran course on 19th August 2018 with National Secretary Taleem-ul-Quran Hafiz Fazle Rabbi Sahib and his team with the attendance over 100 members of (Ansar, Khuddam, Atfal, Lajna and Nasiraat) including our new Ahmadi brother, Ryan Neil.

To make this event successful a lot of planning and communication took place in organizing this event by the Sheffield Secretary Talim ul Quran.

Regular advertisement and reminders were sent out by him and his team. The event was presented an excellent opportunity to learn Tajweed rules and improve the quality of reading the Holy Quran. Members also learned about correct pronunciation and common errors committed during recitation, use of pauses correctly and recitation rules.

They also had the opportunity to practice these rules and principles in a group exercise and recite verses from the Holy Quran. The course was designed in a way that everyone should benefit from the course, beginners to proficient readers of the Holy Quran.

The Class was started with recitation of the Holy Quran followed by Namaz. Thereafter Aman Khan Sahib from National Team gave a PowerPoint presentation and explained the need and importance of learning Quran and recitation of the Holy Quran with correct pronunciation.

Moeed Ahmad Sahib from national team explained 20 most common mistakes done by average reader of the Holy Quran and taught the correct pronunciation to male and female members.

The participants were enlightened by Hafiz Fazle Rabbi Sahib to note how the meanings can change with a slight change in the pronunciation.

Hafiz Sahib recited the verses with correct pronunciation and then the participants were required to repeat to ensure that they have learnt the correct articulation. After understanding how to avoid the 20 most common mistakes all the participants were requested to read Surah Alkausar from the Holy Quran. This provided an exceptional opportunity to get personalized feedback from Hafiz Fazle Rabbi Sahib for each reader. Every reader was told about his/her strengths or the areas to focus to improve the quality of reading.

All the participants felt the importance of learning the correct pronunciation and felt as if this is a new beginning, fresh start to learn the correct pronunciation. The biggest achievement of the day was the realization that we all need to work

hard to read correctly, understand the meanings of Quran and then apply it to the day-to-day life. The Sheffield Jama'at will continue this journey by teaching Quran in weekly Quran Class and one to one coaching.

Warm appreciation and congratulations goes to Secretary Talim ul Quran Sheffield, Shahid Rizwan Khan Sahib, Secretary Sami Basri, Saad Tahir Sahib and Secretary Ziafat, Masud Ahmad Shah Sahib and everyone who assisted on the event in the pre-planning and also on the day, without their active support this would have not been a success. Special thanks to all the attendees for raising the relevant important questions and helping every one learn.

It was a great blessed day for the Sheffield Jama'at the very first time Sheffield Jama'at held Quran class on a bigger scale with a great success. Alhamdulillah – The course concluded with silent prayer lead by Hafiz Fazle Rabbi Sb. Sheffield Jamaa't is thankful to National Secretary Taleem and his team for conducting this beneficial course at this stage and we look forward to hold such course in future as well.

May Allah enable all participants to benefit from this workshop and may He shower His blessings on the organizers, Hafiz sahib and his team for all their hard work and efforts. Ameen!
